

Redsaint Modifications Terms & Services (ToS)

On behalf of Redz Modifications, I would like to present to you our Terms of Service which protects us as well as the seller.

- 1 - Reselling or Redistribution is prohibited. This will result in an automatic ban from my server and will not allow you to gain access to any of my private models.
- 2 - Leaking or Ripping my models is also prohibited and will also result in an automatic ban from my server and will not allow you to gain access to any of my private models.
- 3 - Chargebacks and or Refunds are not prohibited on any payments by Redz Modifications unless prohibited by Redz.
- 4 - Private models sold to the seller are sold as a GTA 5 model which may be used for LSPDFR or FiveM though there are limitations which include any model may not be redistributed to any clan unless prohibited by myself Redz.
- 5 - All models come in a locked format attempting to unlock these locked models will result in an automatic ban from my server and will not allow you to gain access to any of my private models. With this being said models come in a locked format and as a seller are only prohibited to change the light colors or template unless prohibited by myself Redz.
- 6 - As being the founder of Redz Modifications I have the right to remove or in other words ban anyone that I feel needs that action. With this being said, Redz is not in any way responsible for any damage and or performance issues to your computer and or game.

With agreeing to this TOS you are to be held accountable for following these guidelines. As well as by agreeing you have read and understood the TOS.
